

Designed with electrolytes and branched chain amino acids for post-workout recovery

RECOVERY BLEND

The body deals with nutrients differently depending on activity levels. What you consume before, during, and especially after your workout matters. Getting the right nutrients after exercise can help you rebuild your muscle proteins and glycogen stores, as well as stimulate the growth of new muscle.

COMPOSITION

REPCO® Recovery Blend is prepared from Taurine, L-Valine, L-Leucine, L-Glutamine, L-Isoleucine, Glycine, Trimagnesium Citrate Anhydrous, Maltodextrin, Tripotassium Citrate, Sodium Chloride, Natural Caffeine

Contains No Allergens
Certified Kosher Status is Available
